## MONTHLY CLIMBERS' SOCIAL SEPTEMBER/OCTOBER

Be part of the Edgeworks Community!

**September 5<sup>th</sup> - STACK IT!:** Crash pad stacking is the game. Objective: stack them high and climb as you go. The person atop the highest stack wins!

**October 3<sup>rd</sup> - BLB "Feature Routes":** Help us forerun some "feature route" ideas for the Black Light Bouldering Comp! The possibilities are endless but we'll need to test a few ahead of time to find out how well they'll climb.

## TUESDAY NIGHT CLINIC SEPTEMBER 19

FREE for members.

Sign up online!

**Beyond the Belay:** You've graduated from our Intro to Climbing course, passed the belay check, and now have your eye set on that new 5.10 project. Make this clinic your next step! Foot work, body positions and mental strategies for beginning climbers.

## EDGEWORKS OUTDOOR DAYS ALL SUMMER!
